Our Service to You

We will advise and make a recommendation for you after we have assessed your needs for:

- Private Medical Insurance (UK and International)
- Group Protection/ Employee Benefits (Income protection, Critical Illness and Life Insurance)
- Individual Protection – Personal Family and Business (Life Insurance and Critical Illness)
- Family Income Benefit
- Income Protection

In making our recommendation we will carry out a comprehensive and fair analysis of the market. This means that we will compare products from a wide range of Insurers in terms of the cover provided, quality of service and other relevant features. In arranging insurance for our customers, we act as an independent intermediary and act on your behalf. Our service includes: advising you on your insurance needs, arranging your insurance cover with the recommended insurers and helping you with any ongoing changes you have to make. Where you ask us to we will provide advice and assistance on claims matters, however we will not become involved in the claims process in any other way and will not be involved in payment of claims. Claims generally are handled directly by insurers.

Where received by us we will forward policy documentation to you.

Your Responsibilities

Disclosure of Information and Changes in Circumstances

Consumer Insurance Contracts

You are responsible for providing us and the insurers with the information we request from you to enable us to seek the cover you require. It is important that you understand that any information, statements or answers

made by you to us or the insurers are your responsibility and must be accurate and complete. Any failure to answer questions honestly, carefully and accurately may invalidate your insurance cover in part or whole. Please do consult us if you are in any doubt on any aspect. Further information on your duty to take reasonable care in answering questions will be detailed in your statement of demands and needs.

Commercial Contracts

Duty of Fair Presentation: In order to fulfil our collective duty with you to provide the insurer with a fair presentation of the insurance risk involved, you must disclose every material circumstance which you know or ought to know, or failing that, you must provide the insurer with sufficient information to put a prudent insurer on notice that it needs to make further enquiries for the purpose of revealing those material circumstances.

A 'material circumstance' is one which would influence the judgement of a prudent insurer in determining whether to take the risk and if so on what terms and it is our collective duty to carry out a reasonable search in respect of these circumstances.

Examples of such circumstances could be any ongoing serious medical conditions such as cancer and heart conditions as well as planned medical treatment. Please note these examples are for illustrative purposes only and are by no means exhaustive or conclusive.

It is important that you understand that any information, statements or answers made by you to us or the insurers are your responsibility and must be correct. Any failure to disclose material facts to the insurer or any inaccuracies in your answers may invalidate your insurance cover in part or whole.

Please note that not only does this apply at the commencement or renewal of your policy but also at any time during the lifetime of your policy. You should therefore advise us as soon as reasonably practical of any changes in your circumstances (including changes of address) which may affect our service to you or the cover provided under your policy. This should include any changes to scheme membership (if relevant).

Importance of Reading Your Policy Documentation

You are responsible for reviewing the evidence of insurance cover and other related documents which will be sent to you to confirm that it accurately reflects the cover, conditions, limits and other items that you require. Particular attention should be paid to policy conditions as failure to comply may invalidate your cover. If there are any discrepancies, please contact us immediately.

You are advised to keep copies of all documentation sent to or received from us for your own records

Payment of Premiums

You must provide settlement with cleared funds of all monies due in good time, direct to an Insurer in accordance with the payment date(s) as specified in either the policy documentation or other relevant payment documentation (payment date). Failure to pay by the payment date may lead to insurers cancelling your policy. Premiums will include insurance premium tax at the prevailing rate (where applicable).

Client Money

We are unable to hold client money in any way.

Our Remuneration

Our remuneration may be a fee paid by you or as a commission paid by the insurer. Should we decide to charge a fee for our services this will be discussed with you and confirmed in writing.

If you require us to disclose the level and indemnity term of our commission receivable from an Insurer, please ask and we will send you a letter setting out the amount we receive. This applies to both consumer (Individual) clients, and commercial (Group) clients. If you are a client with an individual protection product, then we will automatically inform you of the level of commission we earn from the Insurer at the quotation stage.

On occasion we may be remunerated by both commission and a fee.

Cancellation within the cooling off period – Consumers Only

We will give you enough information and help so you can make an informed decision before you make a final commitment to buy your insurance policy. If you are a consumer (that is an individual buying insurance for personal use only i.e. wholly outside your business or profession) you will have the right to cancel your insurance policy within 30 days for pure protection policies e.g. term life or critical illness or 14 days for general insurance e.g. private medical insurance or travel.

The cancellation period begins (the later of):

- the day of the conclusion of the contract (for general insurance contracts),
- the day after the customer was informed that the contract was concluded (for pure protection contracts); or
- if later, the day after the customer receives full policy documentation.

You may be required to pay for the time on risk should you invoke cancellation and this will be at the discretion of the insurer.

Cancellation of this agreement

Our arrangement may be terminated by either party upon the giving of notice in writing to the other party. In the event our services are terminated by you, we will be entitled to receive all fees payable and any commission(s) payable in respect of the current policy year.

We will treat any information in our possession which relates to you as confidential. It will be necessary, however, for us to disclose information that you consider confidential to insurers or other parties, when acting on your behalf, where we reasonably consider such information to be material to the risks being covered, or for internal review and audit purposes. Such companies will themselves be bound by specific legal undertaking to maintain full confidentiality in line with Data Protection Act requirements. Your personal data will not be divulged to any other third party not already mentioned in this agreement without your explicit consent.
